

Construction Research Council Meeting Minutes
April 10, 2003
Phone Conference

Attendees: Paul Chinowsky, Edward Jaselskis, Keith Molenaar, Tony Songer

Edward Jaselskis chaired the meeting.

Discuss Academic Committee Activities for Fall CRC Meeting

Paul Chinowsky reported:

Fall meeting in Nashville will have a M.S./Ph.D. refereed papers and presentation symposium in lieu of posters.

The committee is developing ideas for a mentoring program for Junior faculty.

CRC-CI LI Liaison Committee activities

Ed Jaselskis/Keith Molenaar reported:

Ed and Keith had a meeting with Ric Lawhun and Debbie Kates prior to the CRC in HI.

Issues discussed included getting information into CI's newsletters, conferences, continuing education.

The committee is prioritizing liaison activities:

1. CI newsletter contributions: 1 – research/1 education/ 1 - teaser per issue
Ed will contribute journal teasers
2. Continuing Education – assist CI in identifying topics/instructors for Continuing education courses.

Marketing committee:

There is a question of overlap with the CI-CRC Liaison committee.

Ideas for committee include:

Website to provide research links for industry

Prepare brochure for CRC/academic contribution – for academics to pass out during Promoting conferences, meetings.

Next Construction Congress

Ken Walsh had indicated interest in chairing the next congress.

The executive committee will send out call for other interested parties to attract others

Atlantic Coast Conference in conjunction with CI is at the initial stages of discussion, Keith M. is coordinating CRC participation.

Action Items

1. Committee's are requested to write mission statements/objectives and submit to CRC exec. Committee.
2. Ed J. will send out request for interest for next Construction Research Conference
3. Ed J. will meet with marketing committee volunteers to brainstorm ideas for objectives.
4. Keith M. will organize a meeting for CI-CRC liaison committee
